

Re Mrs G. 105.1884 Harrison/La Tourette ²¹⁸

Sept. 26th, 1926

Re, Allie Britton)
" Lizzie Scott Britton)
" Minnie La Tourette)

Called at cafe of "Spanker" Frank Casey, 173 French St., cor. Alexander St., who I interviewed in endeavor to learn the present address of Allie Britton and his wife Lizzie (Scott) Britton, who Joseph Revolinsky, previously interviewed, said could give me the address of Minnie La Tourette and other information.

Casey said he does not know the present address of Lizzie Scott Britton, that about 2 or 3 years ago she lived in a house boat in the canal owned by a man of name Fouratt.

That about one and a half years ago she was mixed up in a murder in the Highland Park section where a man of name Fox killed his wife.

Lizzie Scott Britton has a brother Martin Scott said to be employed in Potters Factory, Somerset & Alexander Sts.

The whereabouts of Allie Britton unknown to Casey, but he said he will get me the address of his brother Walter Britton.

Could give me no information concerning Minnie La Tourette. Says he never knew her.

Could tell me nothing of Anna King, May Ray, etc. or former habitues of "Stumpy" Gillen's Road House on French St. Says this was all before his time. That he was then but a boy and he has only known of some of the older days through hearsay and not personal contact or observation.

Respectfully submitted,

Thomas L. Harrison
